

# Chronology of European Security and Defence: Delve into Post-War History

The "Chronology of European Security and Defence 1945-2006" is an indispensable resource for those seeking a comprehensive understanding of the pivotal events that have shaped Europe's security landscape after the Second World War.

This meticulously researched work presents a chronological account of the major developments that have influenced European security, including:

- **The Cold War (1945-1991):** The ideological struggle between the East and West, leading to the formation of NATO and the Warsaw Pact.
- **The Helsinki Accords (1975):** A landmark agreement that promoted cooperation and security in Europe.
- **The Fall of the Berlin Wall (1989):** A symbolic moment marking the end of Soviet dominance in Eastern Europe.
- **The Maastricht Treaty (1992):** The establishment of the European Union and the Common Security and Defence Policy.
- **The Kosovo War (1998-1999):** NATO's intervention in the conflict in the Balkans.
- **The 9/11 Attacks (2001):** A transformative event that reshaped global security priorities.

The "Chronology of European Security and Defence" offers not just a timeline of events but also in-depth analysis and insights into the underlying

factors shaping European security. It examines the motivations and strategies of key players, including:
