If you're not sure what you want for the future of your marriage, that's okay. This article will help you to find what you really want. We'll provide you with a roadmap to help you identify your goals and create a plan to achieve them.

Step 1: Identify Your Values

The first step to finding what you really want for the future of your marriage is to identify your values. What's important to you in a relationship? What

are your core beliefs?

Once you know your values, you can start to think about what you want for your marriage. What kind of relationship do you want to have? What are your goals for your marriage?

Step 2: Create a Vision for Your Marriage

Once you know your values, you can start to create a vision for your marriage. What do you want your marriage to look like in the future? What are your goals and dreams for your relationship?

Your vision for your marriage should be specific, measurable, achievable, relevant, and time-bound. This means that you should be able to clearly articulate what you want, how you're going to measure your progress, and when you want to achieve your goals.

Step 3: Create a Plan to Achieve Your Goals

Once you have a clear vision for your marriage, you can start to create a plan to achieve your goals. This plan should be realistic and achievable. It should also be flexible, so that you can adjust it as needed.

Your plan should include specific steps that you can take to achieve your goals. It should also include a timeline for your goals.

Step 4: Take Action

The most important step is to take action. Once you have a plan, start taking steps to achieve your goals. Don't be afraid to ask for help from your spouse or from other trusted friends and family members.

The journey to finding what you really want for the future of your marriage is not always easy. There will be challenges along the way. But if you're committed to your relationship and you're willing to work hard, you can achieve your goals.

Finding what you really want for the future of your marriage is an important step in building a strong and lasting relationship. By following the steps outlined in this article, you can identify your goals, create a vision for your marriage, and develop a plan to achieve your goals.

With hard work and dedication, you can create the marriage that you've always wanted.
