Maker Dad: Lunch Box Guitars, Antigravity Jars, and 22 Other Incredibly Cool Father-Daughter DIY Projects by Mark Frauenfelder

★★★★☆ 4.5 out of 5

From building a lunch box guitar to making an antigravity jar, there's something for everyone in this book. So grab your tools and get ready to have some fun!

Here are just a few of the projects you'll find in this book:

- **Lunch Box Guitar:** This is a great project for beginners. It's easy to make and it's a lot of fun to play!
- **Antigravity Jar:** This is a cool science experiment that will amaze your daughter. It's a great way to learn about gravity and air pressure.

- **Popsicle Stick Picture Frame:** This is a simple and inexpensive project that's perfect for displaying your daughter's artwork.
- **Melted Crayon Art:** This is a fun and creative way to use up old crayons. You can create beautiful works of art that are unique and personal.
- **Salt Dough Ornaments:** These are a great holiday project that the whole family can enjoy. You can make ornaments in any shape or size, and they're a great way to add some personality to your Christmas tree.

These are just a few of the many projects you'll find in this book. So if you're looking for some fun and creative DIY projects to do with your daughter, this is the book for you!
