

# Master Medical Coding with the 2024 ICD-CM for Physicians: Volumes and Professional Edition

## About the Book

The 2024 ICD-CM for Physicians: Volumes and Professional Edition is the essential resource for accurate medical coding in the physician setting. This comprehensive guide provides clear and concise instructions for assigning the correct ICD-CM codes to patient encounters, ensuring optimal reimbursement and improved patient care.

This book is organized into two volumes:

## 2024 ICD-9-CM for Physicians, Volumes 1 and 2 Professional Edition - E-Book (Ama Physician Icd-10- Cm (Spiral)) by Carol J. Buck

★★★★☆ 4.6 out of 5

Language : English

File size : 116673 KB

Print length : 1080 pages

- **Volume 1: ICD-CM Coding Guidelines and Tabular List** provides a detailed overview of the ICD-CM coding system, including the latest guidelines and code updates. This volume also includes the complete ICD-CM tabular list, which provides the official codes and descriptions for all diseases, injuries, and procedures.
- **Volume 2: Alphabetic Index to Diseases and Injuries** provides a quick and easy way to look up ICD-CM codes by disease or injury name. This volume is essential for quickly and accurately assigning codes to patient encounters.

The 2024 ICD-CM for Physicians: Volumes and Professional Edition is the most up-to-date and comprehensive resource for medical coding in the physician setting. This book is essential for physicians, coders, and other healthcare professionals who need to stay up-to-date on the latest coding standards.

### **Benefits of the Book**

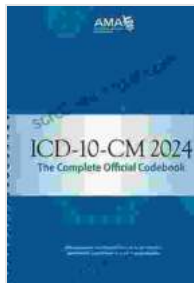

- Provides clear and concise instructions for accurate ICD-CM coding
