

Right, Wrong, Palestine and Palestine II: Iraq

About the Book

****Right, Wrong, Palestine**** is a groundbreaking book that challenges the conventional wisdom about the Israeli-Palestinian conflict. Author Norman Finkelstein, a Jewish-American political scientist, argues that the

Palestinians have been consistently wronged by Israel and the United States. He provides a detailed history of the conflict, from the Balfour Declaration of 1917 to the present day, and he shows how Israel has systematically violated Palestinian rights.

****Palestine II: Iraq**** is a sequel to ****Right, Wrong, Palestine****. In this book, Finkelstein argues that the US invasion of Iraq was a war of aggression that has had disastrous consequences for the Iraqi people. He shows how the invasion has led to the deaths of hundreds of thousands of Iraqis, the displacement of millions more, and the destruction of Iraq's infrastructure.

Why You Should Read This Book

****Right, Wrong, Palestine**** and ****Palestine II: Iraq**** are essential reading for anyone who wants to understand the Israeli-Palestinian conflict and the US invasion of Iraq. Finkelstein's books are meticulously researched and passionately argued. They provide a unique perspective on these complex and important issues.

Here are just a few of the things you will learn from reading these books:

- The true history of the Israeli-Palestinian conflict
- The systematic violations of Palestinian rights by Israel
- The devastating consequences of the US invasion of Iraq
