

# The Life of the Warrior King: The Battle of Agincourt 1415

By John Keegan

The Battle of Agincourt was a resounding English victory on October 25, 1415, during the Hundred Years' War. It was one of the most famous battles in English history, and has been the subject of much study and debate over the centuries.

This book tells the story of the battle from both the English and French perspectives, with detailed accounts of the strategies, tactics, and heroism displayed by both sides. Keegan draws on a wide range of sources, including contemporary chronicles, letters, and military manuals, to provide a vivid and accurate account of the battle.

The book begins by setting the stage for the battle, describing the political and military situation in Europe in the early 15th century. He then follows

the English army as it crosses the Channel and marches into France, and describes the events leading up to the battle.

Keegan provides a detailed account of the battle itself, from the initial clash of arms to the final rout of the French army. He describes the tactics used by both sides, and the heroism displayed by individual soldiers on both sides.

The book concludes with an assessment of the battle's significance. Keegan argues that Agincourt was a turning point in the Hundred Years' War, and that it helped to establish England as a major military power in Europe.

The Life of the Warrior King is a fascinating and informative account of one of the most famous battles in English history. Keegan's vivid writing style and his attention to detail make this book a must-read for anyone interested in medieval history or military history.

## **Reviews**

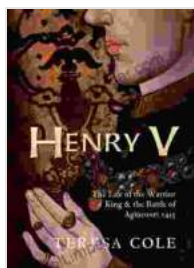

"Keegan's account of the Battle of Agincourt is a masterpiece of military history. It is a vivid and accurate description of the battle, and it is also a fascinating exploration of the political and military context in which the battle took place." - The New York Times
