The Oxford Companion to Philosophy is the most comprehensive and authoritative guide to the world's most enduring questions. With over 1,200 entries written by leading philosophers, it covers every major philosopher, philosophical movement, and concept in the history of Western thought.

Whether you're a student of philosophy, a scholar, or simply someone who is curious about the big questions in life, The Oxford Companion to Philosophy is an indispensable resource. It will help you understand the history of philosophy, the different schools of thought, and the major debates that have shaped our understanding of the world.

What's inside?

The Oxford Companion to Philosophy is divided into four parts:

- **Part I: A-Z Entries**

This section contains over 1,200 entries on every major philosopher, philosophical movement, and concept in the history of Western thought. Each entry is written by a leading philosopher and provides a concise and informative overview of the topic.

- **Part II: Chronology**

This section provides a timeline of the major events in the history of philosophy. It is a useful resource for understanding the development of philosophical thought over time.

- **Part III: Glossary**

This section provides definitions of the key terms used in philosophy. It is a helpful resource for students and scholars alike.

- **Part IV: Bibliography**

This section provides a list of further reading on the topics covered in the Companion. It is a valuable resource for anyone who wants to learn more about philosophy.

Why do I need this book?

The Oxford Companion to Philosophy is an indispensable resource for anyone who is interested in philosophy. It is the most comprehensive and authoritative guide to the world's most enduring questions. Whether you're a student, a scholar, or simply someone who is curious about the big questions in life, The Oxford Companion to Philosophy is a must-have.

Here are just a few of the reasons why you need this book:
