

The Producer As Composer: A Masterclass in Music Production

The Producer As Composer is a comprehensive guide to music production, written by award-winning producer and engineer David Gibson. This book provides a step-by-step approach to producing and recording music, from the initial concept to the final mix. Gibson covers every aspect of the production process, including songwriting, arranging, recording, editing, mixing, and mastering.

The Producer as Composer: Shaping the Sounds of Popular Music by Virgil Moorefield
