About the Book

The Prosecutor is a powerful and inspiring memoir by one of the UK's most respected lawyers. Nazir Afzal has dedicated his life to fighting for justice for victims of crime, and his book tells the story of his extraordinary career.

Afzal grew up in a working-class Pakistani family in Birmingham, England. He faced racism and discrimination from a young age, but he never gave up on his dream of becoming a lawyer. After graduating from law school, Afzal worked as a prosecutor for over 20 years. During that time, he handled some of the most high-profile cases in the UK, including the murder of Stephen Lawrence.

In *The Prosecutor*, Afzal shares his insights into the criminal justice system. He writes about the challenges of prosecuting criminals, the importance of supporting victims, and the need for reform. Afzal also tells the story of his own personal journey, from his humble beginnings to his rise to become one of the most respected lawyers in the UK.
