This book is a collection of articles that provide a comprehensive overview of the slave trade in America. The articles cover a wide range of topics, including the history of the slave trade, the different types of slavery that existed in America, the impact of slavery on the lives of slaves and their descendants, and the abolition of slavery.

The slave trade was a major part of American history for over two centuries. It began in the early 1600s, when the first African slaves were brought to the Americas. By the mid-1800s, there were over four million slaves in the United States. The slave trade had a profound impact on the lives of slaves and their descendants, as well as on the development of American society.

This book provides a valuable resource for anyone who wants to learn more about the slave trade in America. The articles are written by leading scholars in the field, and they offer a comprehensive and up-to-date overview of the subject.

Table of Contents

- The History of the Slave Trade in America

- The Different Types of Slavery that Existed in America
- The Impact of Slavery on the Lives of Slaves and their Descendants
- The Abolition of Slavery
