

Troubled National Union: Voices from the Arab Revolutions

Cambridge Middle East Studies 37

About the Book

The Arab revolutions of 2011 shook the world. They seemed to come out of nowhere, and they quickly toppled long-standing dictatorships in Tunisia, Egypt, Libya, and Yemen. But what caused these revolutions? And what were the hopes and fears of the people who took part in them?

Regionalism and Rebellion in Yemen: A Troubled National Union (Cambridge Middle East Studies Book

Print length : 370 pages

Troubled National Union is a collection of essays that explores these questions. The book brings together the voices of activists, scholars, and policymakers from across the Middle East. They provide a firsthand account of the revolutions, and they offer their insights into the challenges that the region faces today.

The book is divided into three parts. The first part, "The Roots of the Revolutions," examines the factors that led to the uprisings. The second part, "The Revolutions Unfold," provides a chronological account of the events of 2011. The third part, "The Aftermath of the Revolutions," assesses the impact of the revolutions and the challenges that the region faces today.

Troubled National Union is an essential read for anyone who wants to understand the Arab revolutions. The book provides a unique perspective on these historic events, and it offers a valuable contribution to the ongoing debate about the future of the Middle East.
