As a parent, you want the best for your child. You dream of them reaching their full potential and living a happy, fulfilling life. But when your child is diagnosed with ADHD, it can be a confusing and overwhelming experience.

ADHD is a neurodevelopmental disorder that can affect a child's attention, behavior, and emotions. It can make it difficult for children to focus, sit still, and control their impulses. They may also be more fidgety, impulsive, and hyperactive than their peers.

If you're struggling to understand and support your child with ADHD, you're not alone. ADHD 101 Parents Edition by Kate LaBrosse is the essential guide to help you navigate the challenges of ADHD and unlock your child's potential.
