

Unsinkable: The Full Story of the RMS Titanic

On April 10, 1912, the RMS Titanic, the largest and most luxurious passenger ship ever built, set sail on her maiden voyage from Southampton, England, to New York City. Just four days later, the ship struck an iceberg and sank in the North Atlantic Ocean, taking with her more than 1,500 lives.

The sinking of the Titanic was a tragedy that shocked the world. In the years since, the ship and her story have been the subject of countless books, articles, and films. But no account of the Titanic is as comprehensive or as authoritative as "Unsinkable: The Full Story of the RMS Titanic" by Dan Van der Vat.

Van der Vat, a renowned maritime historian, has spent years researching the Titanic. He has interviewed survivors, pored over ship's logs, and examined the wreckage of the ship. The result is a book that is both a

gripping narrative and a definitive account of one of the most famous maritime disasters in history.

In "Unsinkable," Van der Vat tells the story of the Titanic from her conception to her sinking. He describes the ship's design and construction, and he introduces the passengers and crew who sailed on her. He also provides a detailed account of the night of the disaster, from the moment the ship struck the iceberg to her final plunge into the depths of the ocean.

Van der Vat's writing is clear and concise, and he brings the story of the Titanic to life with vivid detail. He describes the ship's opulent interiors, the excitement of the passengers as they boarded, and the terror of the passengers and crew as the ship sank. He also provides a thoughtful analysis of the causes of the disaster, and he argues that the sinking of the Titanic was a preventable tragedy.
