Delve into the Realm of Verbal Communication

When words flow from your lips, they carry the weight of your thoughts and intentions. "What to Say, What to Do" delves deeply into the intricacies of verbal communication, guiding you through the labyrinth of word choice, tone, and delivery. Discover the art of crafting clear and concise messages, resonating with your listeners and leaving a lasting impression.

Unleash the Power of Non-Verbal Communication

Beyond the spoken word lies a subtle yet powerful realm of communication: body language. Every gesture, every facial expression, every nuance conveys volumes. "What to Say, What to Do" illuminates the secrets of non-verbal communication, empowering you to decode the unspoken messages that shape our interactions.

Navigate the Nuances of Conflict Resolution

Conflict is an inevitable part of life, but it doesn't have to be a destructive force. "What to Say, What to Do" provides invaluable insights into managing conflicts with grace and effectiveness. Learn how to approach confrontations with empathy, resolve issues amicably, and emerge stronger through the process.

Master the Art of Persuasion

Move beyond mere communication and step into the realm of persuasion. "What to Say, What to Do" reveals the principles of influence, empowering you to craft compelling arguments, negotiate effectively, and win over hearts and minds.

ORGANIZING AND DELIVERING A PERSUASIVE SPEECH

LET'S WARM UP!

- The class will be divided into five groups. Read the following scenario: famous world personalities are in a hot air balloon. The balloon is quickly losing heat, and only one parachute is available to save a person.
- With your groupmates, think of a famous personality from any field or discipline you think contributed much to the world. Then, think of various reasons why your chosen personality has to receive the parachute.
- Choose a representative who will assume the persona of your chosen personality. All representatives will stand in front of the class.
- They then have to present their arguments. Based on the arguments, the teacher will choose who will get the parachute.

PERSUASIVE SPEECH

Conquer Public Speaking with Confidence
